

CITIC Group and CECEP signed MOU for energy conservation and environmental protection strategic co-operation

CITIC Group Corporation ("CITIC") and China Energy Conservation and Environmental Protection Group ("CECEP") have signed a MOU for strategic cooperation on 11th October 2012. It is to promote further collaborations in energy saving and environmental protection and integrated financial services sectors by leveraging respective strength and network of the corporations.

Further, CIAM grasped this unique opportunity to leverage the network and resources from CITIC Group and CECEP. The first project has been successfully executed in energy conservation sector which CECEP HK joins the listing platform of CIAM, focus in "green and growth" sector, as a strategic shareholder (holds 5.1% of the shareholding as of 31 October 2012).
