

## Staff Exchange between China CITIC Bank and CIAM

China CITIC Bank and CIAM co-organized a staff exchange programme. There are 5 colleagues selected from various teams and departments, including Investment Banking, Asset Management, Carbon Assets Management, Non-Performing Loan to participate in the programme. One of the highlights in the programme was to have those participants from the Bank to visit our CIAM HK office during January 2018 for a series of visits, business introduction, markets and follow through discussion for seeking synergy and collaboration on business development. Asset management business, with our offshore licensed operations, as well as carbon asset were the themes identified for further exploration.
